

Innovative Compassionate Care

Greenwich Hospital

Year in Review | 2024

Yale
NewHaven
Health
Greenwich
Hospital

Dear Friends,

At Greenwich Hospital, we believe progress is fueled by purpose – and 2024 was a powerful testament of that spirit. This past year, we made meaningful advancements across our campus, delivering on our promise to provide innovative, compassionate care to the communities we serve.

With quality being our true north in everything we do, our fiscal year began with an “A” hospital safety grade from *The Leapfrog Group*, recognizing us as one of safest hospitals in the United States. Later in the year, we were also named a top performer in the 2024 Bernard A. Birnbaum, MD, Quality Leadership Study by Vizient, Inc., signifying our entrusted role in safety, quality and patient outcomes.

After five years of rigorous planning and research from our dedicated trauma team, in the Spring, we achieved designation as a Level III Trauma Center from the American College of Surgeons and the State of Connecticut, enhancing our ability to provide critical, lifesaving care close to home when it matters most. We celebrated this accomplishment with a day of education and fun for the community.

Another initiative that we were proud of in 2024 was the implementation of *Bee Mindful* – a program aimed at improving how we care for one of our most vulnerable populations. The program is designed to deliver individualized care and provide a safe space for healing and wellness for people with special needs, while educating hospital staff on the unique requirements for these patients.

Additionally, our renowned Stroke program team received the American Heart Association’s *Get With The Guidelines* – Stroke Gold Plus quality achievement award for its commitment to ensuring stroke patients receive the most appropriate treatment according to nationally recognized, research-based guidelines, ultimately leading to more lives saved and reduced disability. It was that same Stroke program that allowed a 23-year-old stroke patient to return to playing soccer at UNC Chapel Hill.

These milestones, as well as others, are a direct result of the extraordinary efforts of our physicians, nurses, clinical professionals and support staff, who work together every day to deliver the highest standard of care. We are equally grateful to our donors and community partners, whose trust and generosity make our progress possible.

As we move into 2025, we do so with momentum and a continued sense of pride. We are investing in programs that reflect our values, expanding access to care and embracing innovation that will define the future of healthcare. With compassion, courage, and collaboration, we are building something greater for our patients, our people, and our community.

Thank you for being part of this journey.

We thank our many loyal donors for their partnership in helping our healthcare team to excel in patient satisfaction, clinical outcomes and safety, finding ways to better serve patients and building healthy communities.

The donors listed in this annual report provided generous support of \$500 or more through pledges and pledge payments, annual gifts, grants, event donations, and bequests from October 1, 2023, to September 30, 2024.

We apologize for any omissions or inaccuracies. If you have any questions, please call the Greenwich Hospital Office of Development at 203-863-3889.

Special and Leadership Gifts

Greenwich Hospital is honored to acknowledge the philanthropic support of the following donors. Their leadership and dedication to the mission of Greenwich Hospital enhances our ability to care for our patients today and into the future.

Elias C. Benedict Legacy Society

When the original location of Greenwich Hospital began to outgrow its facilities in the early 1900s, Commodore Elias C. Benedict donated land and funding to build a new Greenwich Hospital that opened on Perryridge Road in 1917. His philanthropy lives on today in both the thriving hospital that has served our community for more than a century, and the legacy society named in his honor. One of the enduring ways that supporters have expressed their devotion to ensuring exceptional health care now and in the future is through participation in our Elias C. Benedict Legacy Society. Benedict Society members have included Greenwich Hospital in their philanthropic plans, making an everlasting impact on patients and their loved ones for generations to come. We gratefully acknowledge our friends who have donated generously through their estate gifts and welcome our new members.
